

Falling Water HOA Fence Submission Checklist

MyFence.com homeowner prep guide (not an official association form)

Before submitting to the Falling Water Architectural Control Committee:

1. Confirm which Bonney Lake association covers your lot (and your phase).
Falling Water Owners Association: HOA Community Solutions / (253) 985-3812
Falling Water, Division 4: J&M Management / (253) 848-1947
Do not use fallingwatershoa.com - that site is Crown Point, Indiana.
2. Request the current ACC application from your manager (not a public PDF).
3. Prepare complete plans, specs, and a site plan showing location on the lot.
4. Ask your manager for the current review timeline before you schedule crews.
5. Include heights, materials, finish, gates, and how the fence follows slope/drainage.
6. Check City of Bonney Lake height and street-frontage rules in addition to ACC review.
7. Do not start construction until you have written ACC approval.
8. Keep photos and approval docs for closeout and resale.

MyFence.com prepares Falling Water ACC packages at no extra fee.
